Dear Livestock and Seed Programs:

food has not been proven safe to eat. It degrades	in the National School Lunch Program. Irradiated the nutritional content of food, and research has
revealed a wide range of health problems in labora	tory animals that ate irradiated food. In addition, it
merely masks filthy and inhumane meat processing	p. Parents deserve the right-to-know what their
children are eating, but irradiated food served in si I strongly urge you to keep irradiated food out of so	chool careterias is not required to be labeled.
1 strongly dige you to keep in adiated 1000 out of Sc	applitutiones.
